25X1A9a MEMORANDUM FOR: [redacted] Executive Officer, HTAUTOMAT

25X1A2g SUBJECT : Sample Photography from [redacted] Mission Number 8603

REFERENCES : A. [redacted] 1296 (IN 03046)

25X1A6c B. [redacted] 5595 (OUT 89064)

C. [redacted] 0302 (IN 03118)

1. Having read the referenced cables, you will be aware of
25X1A2g the request made by [redacted] for a limited number of
25X1C8a sample photographs to be used in showing to the [redacted]
25X1C8a [redacted]. Ref C has suggested that the selection be confined to a half dozen of the best available products from this mission and occasional items of rare interest from subsequent missions such as 8604 and 8605 which are presumably seen to be en route to the states.

25X1A2g 2. In paragraph three of Ref B, I furnished [redacted] Hqs
with a rough estimate of a readiness date of 24 - 26 January for
25X1A9a mission 8603 photography which date was based on the conversation
between yourself and [redacted] on my staff. May I suggest
that in order to meet the requirement of Ref C, you notify
25X1C8c [redacted] on extension 3030 at
such time as 8603 photography is in print form in your Hqs. I
25X1C8c would further suggest that at this time [redacted]
and appropriate members of the HTAUTOMAT Staff get together
to make the limited selection Ref C made in paragraph one, above.
The finished product could then be sent by courier to [redacted]
25X1A6a perhaps with the same individual who escorts the material for
25X1A2g the [redacted] Committee meeting in [redacted] around 3 February.
